

Gleaning the Fields

Help feed the hungry while buying
nutritious food for your family

Greater Birmingham Ministries (GBM) and Grow Alabama are working together to help feed the hungry of Metro Birmingham while restoring local vegetable and fruit production to benefit Alabama farmers and their communities.

Participate by purchasing a weekly delivery of nutritious and delicious, locally-grown food for your family through Grow Alabama. Three different plans are available to accommodate different budgets and family sizes.

For each vegetable plan purchased, Grow Alabama pledges to tith 10% in fresh vegetables and fruit to GBM.

Your participation secures a regular flow of fresh produce for GBM's weekly food distribution to families in need.

For more information, please contact
GBM - www.gbm.org or 205-326-6821 or
Grow Alabama - www.growalabama.com or 205-991-0042.
